1. Tears are falling, hearts are breaking;
2. Hope that You don't mind our manager,
3. Bring Your peace into our violence,

how we need to hear from God.
how I wish we would have known.
bid our hungry souls be filled.

Authorized for use by Jason Flits
You've been promised, we've been waiting,
long awaited holy Stranger,
Word now breaking heaven's silence,

welcome, holy Child, welcome, holy Child,
make Yourself at home, please make Yourself at home,
welcome to our world,

Child.

home.

Coda

Welcome to our world.

Fragile finger

Sent to heal us, tender brow prepared for

Thorn, tiny heart whose blood will save us,
unto us is born,

born.

So wrap our injured flesh around You,

breathe our air and walk our sod. Rob our sin and
make us holy, perfect Son of God.

perfect Son of God.

Welcome to our world.
